Background & governance

The **Leadership Team** of **Grace Church Bega Valley** have established this policy to express our commitment to safeguarding vulnerable people involved with **Grace Church Bega Valley**.

This document outlines the underlying principles that guide our approach and the strategies being implemented to embed a safeguarding culture in the organisation at all levels.¹ Because of the changing nature of our world and our organisation, we commit to reviewing this policy annually to ensure its ongoing effectiveness, relevance and fulfilment of any State and Federal laws to protect children and vulnerable people.^{2,3} The Safe Ministry Contacts are responsible for undertaking or delegating the annual review and **the Elders** are responsible for endorsing the changes before publication. As part of these annual reviews, updates may be required to this policy, in which case we are committed to embedding the required changes within our organisation to safeguard vulnerable people involved with **Grace Church Bega Valley**.

1. Commitment to safeguard vulnerable people

We are committed to the biblical call to actively prevent harm and abuse, and ensure the safety and equity of everyone involved in our organisation with special concern for vulnerable people who face a higher risk of mistreatment.⁴ This includes children and young people, Aboriginal and Torres Strait Islanders, the elderly, people with disabilities, and people with identity and mental health challenges.⁵

It is important that all people involved in our organisation (including vulnerable people and children) are informed about their rights, invited to express their individual needs, participate in decisions which significantly affect them, and have their concerns taken seriously.⁶ We also want families and communities who are involved in our organisation to be informed and involved in promoting the safety and wellbeing of

Therefore, we encourage people at all levels of the organisation and in our community to report any concerns they have about the safety and wellbeing of people connected with **Grace Church Bega Valley**. We are committed to listening well and handling all concerns seriously. We will protect the confidentiality, dignity, health and well-being of all individuals involved in any concern raised.
